Re: Docket No. 15-1601 – Compliance Filing

Dear Ms. Nickerson:

Pursuant to the provisions of PSC Order No. 8837 in the above captioned docket approved by the Delaware Public Service Commission on December 15, 2015, enclosed please find the compliance filing of Delmarva Power & Light Company to revise the Utility Facility Relocation Charge ("UFRC") rate for recovery of capital improvement costs associated with gas facility relocations due to projects by the Delaware Department of Transportation or other governmental agencies, effective January 1, 2016.

Should you have any questions or require any additional information, please do not hesitate to contact me at 302-429-3143 or Heather Hall at 302 454-4828.

Very truly yours,

Pamela J. Scott

RIDER "UFRC"

UTILITY FACILITY RELOCATION CHARGE RIDER – continued

E. Filing (Continued)

1. The UFRC rate shall also be reset to zero if, in any quarter, data filed with the Commission by the Company show that the gas utility will earn a rate of return that exceeds the rate of return established in its last general rate filing or by Commission order as described in paragraph 2.a of this Rider, if such was determined subsequent to the final order in the company's last general rate filing. Further, the UFRC rate shall be reinstated when such data show that the established rate of return is not exceeded and will not be exceeded if the UFRC rate is reinstated and reset.

The UFRC is set forth as follows: 1.95%
