Re: Application for Approval of the 2016 Program for the Procurement of Solar Renewable Energy Credits – Docket No. 15-1472

Dear Secretary Nickerson:

Please accept this letter as Delmarva Power & Light Company's ("Delmarva") request to table the above-referenced Application and cancel the evidentiary hearing scheduled for December 15, 2015. Delmarva makes this request in light of the fact that we anticipate having final regulations in place regarding the *Implementation of the Renewable Energy Portfolio Standards Cost Cap Provisions* in early 2016, and that the implementation of these final regulations may impact the SREC auction. Delmarva has consulted with members of the Renewable Energy Taskforce and has determined that it would be prudent to delay consideration of this Application until after such regulations are in place, and there has been an opportunity to determine the impact of the regulations on this Application.

Delmarva has discussed its intent to table the Application and cancel the evidentiary hearing with the other parties in this docket, specifically, PSC Staff, the Delaware Public Advocate ("DPA") and the Department of Natural Resources and Environmental Control ("DNREC"). PSC Staff and DNREC support the request to table the Application and cancel the evidentiary hearing, and the DPA does not oppose Delmarva's request.

We would anticipate requesting that the Application be considered by the Commission sometime after February 1, 2016, but will notify PSC Staff when we are ready to move forward.

Should you have any questions or require any additional information, please do not hesitate to contact me.

Very truly yours,

Pamela J. Scott
