PUBLIC NOTICE

TO: ALL PERSONS MAKING TELEPHONE CALLS WITHIN THE STATE OF DELAWARE, TELECOMMUNICATIONS CARRIERS PROVIDING TELECOMMUNICATIONS SERVICE WITHIN THE STATE OF DELAWARE, AND ALL OTHER INTERESTED PERSONS

Pursuant to 26 Del. C. § 203 (A) and PSC Order No. 4468 of Regulation Docket No. 45, TW Telecom Data Services, LLC ("TW Telecom" or "Company"), a Delaware corporation, with authority to transact business in the State of Delaware has applied to the Delaware Public Service Commission ("PSC" or "Commission") for a Certificate of Public Convenience and Necessity to Provide Competitive Facilities-Based and Resold Local Exchange and IntraLATA Interexchange Telecommunications Services Within the State of Delaware, and for a review of a plan for providing Intralata Toll Dialing Parity in accordance with Federal Communications Commission requirements under rates, terms, and conditions which the Applicant will have on file with the Commission.

The PSC has been authorized by the General Assembly to foster and promote the competitive provision of intrastate telecommunications services, where appropriate, within the State of Delaware by 26 Del. C. §201(c) and § 703 and Pub. L. 104-104. Pursuant to such authority, and to the Rules and Regulations of the Commission governing the competitive provision of local exchange and competitive intrastate telecommunications, the Commission proposes to grant the requested CPCN on a conditional basis to the Company. The Commission Staff is reviewing the application

and will be determining if TW Telecom has satisfied the criteria for local exchange services under these Rules.

Any person wishing to protest or to comment upon this application must do so in writing filed with the Commission on or before May 19, 2014. In the absence of any good faith protest, the Application will be approved and a conditional Certification granted.

The Commission's mailing address for the filing of comments is:

Delaware Public Service Commission
861 Silver Lake Boulevard
Cannon Building, Suite 100
Dover, Delaware 19904
Attention: PSC Docket No. 14-117

Copies of the Application are available for public inspection in the Commission's Dover office at the address given above during normal State business hours.

The Company will file with the PSC an illustrative tariff that sets out the terms and conditions under which it will offer service in Delaware. Because this is a competitive provision of such services, the Commission will not make a determination that the tariff provisions or the proposed rates are just and reasonable.

This company is <u>not</u> regulated by the PSC as a monopoly service provider. The Commission is relying on the competitive marketplace to determine acceptable terms and rates for the various competitive telecommunications services offered by this company and, therefore, ALL PROSPECTIVE CUSTOMERS ARE ADVISED TO VERY CAREFULLY REVIEW THE TERMS, CONDITIONS OF SERVICE AND RATES BEFORE SUBSCRIBING.

Any individual with disabilities who wishes to participate in this matter or to review the Company's application should contact the PSC to discuss any auxiliary aides or services needed to facilitate such review or participation. Such contact may be in person, by writing, or telephonically (including the use of the Telecommunications Relay Service). The PSC's toll-free (within Delaware) telephone number is 800-282-8574. Persons with questions concerning this matter should contact the PSC by either text-telephone ("TT") or regular telephone at 302-736-7500.
